Capture One Wins 2019 Lucie Technical Awards for Best Photo Editing Software

COPENHAGEN, Oct. 25, 2019: Capture One is pleased to announce that Capture One Pro 12 has been named Best Photo Editing Software at the annual award ceremony during PDN PhotoPlus Conference + Expo at Jacob Javits Convention Center in New York City.

“We are honored to receive the Lucie Technical Awards for best photo editing software,” said Jan Hyldebrandt-Larsen. “This is the second time we have won this prestigious award and we would like to thank the editors, creative directors, writers and other industry professionals who have recognized our technology. We share their passion for advancing the art of photography.”

The Lucie Technical Awards aim to honor the large and small companies and the individuals who have advanced the photographic industry in a given year. All-inclusive, these awards encompass technology and hardware such as cameras, lenses, lighting, camera accessories, as well as papers, printers, inks, software and more. The Lucie Technical Awards is the newest initiative of the Lucie Foundation, and sister program of The Lucie Awards.
